

Easy Access Acrylic Bathtub with Transfer Seat Model # APTS6034TO

Shown above with optional accessories and wall surround in granite style solid surface.

An attractive and user friendly White Acrylic soaking tub features a contoured transfer ledge.

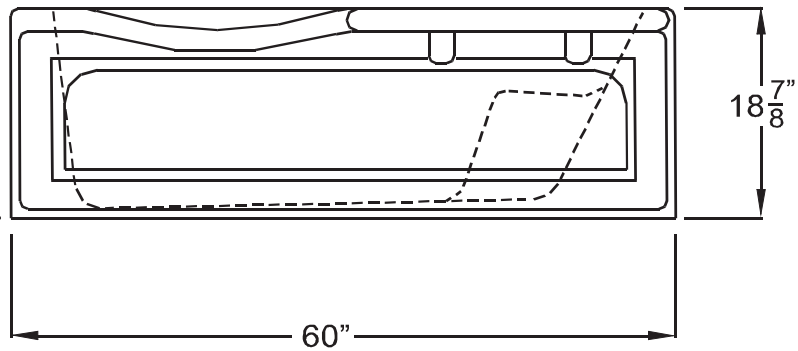

The transfer seat and lowered apron design creates a safe, comfortable and secure entry and exit from the luxurious bathing tub, while also useful for sitting, shaving, toweling and assisting children.

Tub is handed by the valve wall.
Tub is only available in white acrylic.

Optional wall surround available in fiberglass gelcoat. Solid surface granite finishes also available.
